**Brief instruction for filling the data user contract in order to get access to TwinLife data**

§ 1 Subject to this contract

| | |
|---|---|
| Study title | Please fill in "TwinLife" |
| Study number | ZA6701 |
| Persistent Identifier / DOI | Please fill in the DOI of the (latest) data version you would like to receive. You can find the DOI's on the TwinLife site of the Data Catalogue (https://dbk.gesis.org/dbksearch/sdesc2.asp?db=e&no=6701) under "Errata & Versions". Unless otherwise stated, you will automatically receive the latest data version which is available at the time of contract. |

§ 2 Purpose of usage

| | |
|---|---|
| Start / End date of the research project | If this is not clear, please fill "until the end of the data recipient's employment relationship at the institution stated above". |
| Description of research goal | Please let us know what your major field of research is. What are the constructs you are interested to study? |
| Description of methodological approach / research methods | e.g.: twin correlations, (twin) fixed effect analyses, (ACE) variance decompositions, analyses in extended twin family design, or, if not clear yet, "statistical analyses" |

§ 5 Data security concept

| | |
|---|---|
| Short description of the concept for ensuring authorized access / of organizational and technical measures for ensuring data security | Please describe how you ensure that no unauthorized person has access to the data (e.g. saving the data only on your workplace computer – in an enclosed office – on a private drive or shared drive with the other project members stated above; password protection of the computer; etc.). **Please note that it is not allowed to send or share the data via internet or load it into a cloud (e.g. Google drive).** |

For more details of the security requirements, see
https://www.gesis.org/fileadmin/upload/dienstleistung/daten/secure_data_center/GESIS_Leaflet_Secure_Data_Handling.pdf

**If you have further questions on filling the contract, please contact dataservices@gesis.org**
